The school aims to provide a balanced education (within the demands of what is effectively a specialist music school), a Christian environment and a happy and supportive place in which to live for boys between the ages of 8 and 13 who are choristers of Westminster Abbey. The objective is to ensure that all boys benefit from belonging to a safe and nurturing boarding community where they:

- learn to be mutually supportive as well as responsible and independent;
- benefit from an excellent musical education;
- benefit from a broad academic education which enables them to go on to secondary education at an appropriate school of their choice;
- develop their spiritual, moral, emotional, creative, aesthetic, practical and physical qualities and talents as fully as possible;
- develop enquiring minds and a love of learning;
- have the opportunity to make a significant and worthwhile contribution to the life and work of Westminster Abbey;
- become confident, well-balanced individuals, able to take their places in society as good citizens, conscious of their environment and the needs of others;
- are able to form strong and enduring relationships with others.
